7th Annual Western Public Interest Law Conference
c/o Land Air Water
University of Oregon School of Law
Eugene, Oregon 97403
THE SEVENTH ANNUAL
WESTERN PUBLIC INTEREST
LAW CONFERENCE

The Conference attracts a disparate collection of individuals, the common denominator being an interest in the environment and our relationship to it. This is a chance to expose your work to a wide and varied public. All contestants will have their work viewed by conference participants.

There is no entry fee, prizes will be announced (and, see the Poster category below). If you would like your print back, please include a self addressed, stamped envelope. While we shall do everything in our power to insure their safety, the Conference can not take responsibility for the ultimate condition of the photographs entered.

The categories are: Urban Environment; Wilderness; and Poster. All categories are divided into color, and black and white divisions. Categories should be interpreted as liberally as possible. The desire is to attract images either reflective of human interaction with nature or of the world as it exists removed from direct human intervention.

The Poster category, provides an opportunity for the top finisher to have their photograph used as a commemorative poster presenting the 8TH ANNUAL PUBLIC INTEREST LAW CONFERENCE in 1990. For this category there will be no distinction between color and B/W images. All entrants are automatically entered in this category. NOTE: the judges retain the right not to use any of the entries for the above purpose if none of the images prove suitable.

ABOUT THE SPONSORS

LAND, AIR, WATER is an independent student environmental research group. LAW members volunteer their time to work on environmental projects referred to them by environmental groups and practicing attorneys.

The WESTERN NATURAL RESOURCES LAW CLINIC, using staff attorneys and law student interns, represents clients throughout the West in environmental litigation and administrative appeals.

RULES

1. All entries must be either 8 by 10 inch prints ready for matting, or pre-matted. No slides please. No exceptions.

2. Limit of two entries per contestant. However, if space constraints impose themselves, the judges may select a representative image for display from each of the those contestants with more than one entry. The category of each entry should be listed both on the back of the print as well as on the entry form.

3. Each photograph may be entered in only one category (the Poster category not included).

4. No submissions will be accepted if received later than 5 P.M., February 10th, 1989.

5. The judges will name the first five finishers in each division with the next five receiving honorable mention. The top ten finishers in each division will be notified by mail shortly after the contest. All decisions by the judges are final.

6. If you wish to have your photo(s) returned to you, please provide a self addressed, stamped envelope. The Conference will not return pictures without a SASE (adequate postage please).

7. The panel of judges, being comprised mainly of human beings, admits to all associated foibles (including, but not limited to: subjectivity; cultural bias; confusion; and general irascibility). We therefore refuse to be bound by any objective standards of quality.

8. The Conference reserves all rights to use images entered in this contest for publicity or other uses consistent with the rules of the contest.

9. All entries and inquiries should be addressed to:

THE SEVENTH ANNUAL
WESTERN PUBLIC INTEREST
LAW CONFERENCE

PRESENTS
THE FIRST ANNUAL:
"THAT AIN'T A WETLAND,
THAT'S A SWAMP."

PHOTOGRAPHIC
CONTEST AND
EXHIBITION
MARCH 3-5, 1989
EUGENE, OREGON

LAND, AIR, WATER (LAW), in conjunction with
the WESTERN NATURAL RESOURCES LAW
CLINIC, wishes to extend an invitation to those
who record the world on film. Send us your
images of nature: the spaces of the plains, the
cathedrals of the forest, the ramparts of the city;
they shall find an audience.

* A real and true quote.
